Ok, the links work fine, the video works fine...for 10 seconds, then it kicks off. I'm working on it.

I tried that from their homepage, no luck. Will try whatever works but I don't want to send it and have them complain when it doesn't work.

I used the link in Bill's inbox. Can Sharon, Janice or Bill send that to Mick? Maybe that will be a working link. U could also google search for a link.

Shawn,
I have been trying to check this link and it is not functioning. I will share it with the appropriate HQ people when there is something for them to look at.

Didn't know if you had a chance to watch this video from the PM headlines. Trish is interviewed.

If you have problems viewing, let me know. I could view it just fine; Ron had trouble.
